Dear Paul,

RE: SUSSEX INLET & DISTRICTS SUSTAINABLE SPORTING BMX/SKATE PARK & ACCESSIBILITY FACILITY

The Sussex Inlet and Districts Business Chamber and participating businesses reviewed the highly innovative concept designs presented by representatives of the Sussex Inlet and Districts BMX and Skate Club on Thursday 18th February 2010.

This facility will stimulate additional economic activity and provide additional tourism infrastructure for the Shoalhaven area when completed in 2010/11.

We wholeheartedly support this project and recognize all the associated social and economic benefits for the identified target audiences and domestic tourism.

Yours faithfully,

John Kinsey

John Kinsey.
